## MEMORANDUM FOR THE RECORD

SUBJECT: Paper by [REDACTED]

25X1

1. Today [REDACTED] EXO/SOVA, called Clair George regarding the unclassified [REDACTED] paper which compares US and foreign weapons acquisitions systems. [REDACTED] heard that Sen. Warren Rudman (R., NH) has a copy of the paper and may be planning open hearings regarding the US procurement system and would call [REDACTED] as an expert witness. [REDACTED] says there is a clique in DoD that wants US procurement taken away from the separate services and centralized in the Pentagon.

25X1

2. Last week we supplied a copy of the [REDACTED] paper to Frank Sullivan of the Senate Appropriations Committee staff per his request. Sen. Rudman is on SAC and presumably obtained the [REDACTED] paper through Sullivan. [REDACTED] has asked OLL to see if we can find out any further details about the proposed hearings and the possible involvement of [REDACTED] I said we would try.

SUBJECT: Distribution of [ ] Paper

STAT

1. Enclosed are nine copies of [ ] unclassified paper, written while he was a participant in the DCI's "Exceptional Intelligence Analyst Program." We believe ICS is the appropriate body to distribute copies to requestors from the Hill because the scholars program is run by ICS. Copies should be delivered to the following requestors: STAT

- 1) Peter Lennon, Sen. Levin's staff
- 2) Dick Giza, HPSCI
- 3) Mike Mattingly, SSCI
- 4) Doug Mitchell, House Government Operations (225-5074)
- 5) Betty Spina, House Armed Services (225-4256)
- 6) Sen. Charles Grassley, Attn: Chris Kolesnik
- 7) Senate Armed Services, Attn: David Lyles

Judy Freedman

Pat Watson 224-9356

2. [ ] is now back in the DI as an analyst in SOVA. He is not to be made available for briefings on the paper, which should clearly not be viewed as a CIA product. Copies are not available to the press, and [ ] has flatly denied any requests. Please call me or [ ] if you have any questions. We do not have any additional copies to distribute, so Hill staffers will have to share those available. STAT
